Explained everything really well before starting the treatment made me feel very relaxed throughout treatment - my son's teeth were really crooked before having his brace fitted, he is now extremely pleased with the end result, can't stop smiling. All we can say is to be patient and look forward to a lovely smile it takes time but is worth it in the end.

Waiting times were generally good very professional - Guy and reception team very friendly and knowledgeable - I am happy with the results of my treatment and any hesitation I originally had now seems rather unnecessary. Worth every penny and I am glad I chose Queensway who provided a very friendly knowledgeable and professional service.

Lovely friendly professional staff - Katie was brilliant she really cared about Hannah's teeth - thank you to guy and Katie what a fab team - thank you so much to everyone at Queensway Hannah has had her braces on for 17 months and what a difference it has made an investment for a beautiful smile for life.
