## Patient Comments

55 responses

*Very good at explaining certain things and how to look after braces.*

*Everything done exceptionally well - fantastic job.*

*After the treatment I feel a lot better about going out with friends and not having to worry about my teeth dragging down my confidence and ruining a good picture.*

*I was not happy with my old teeth, my new smile is a*

*great change and I am pleased that I got braces.*

*I didn't know what to expect. After my two year treatment, I'm very happy with the result. At the beginning, throughout, and now after the treatment, I was informed about my progress which was reassuring to know. I am very pleased with my treatment.*

*Informative, reassuring and friendly, at first my teeth*

*were crooked, I was nervous about treatment. I was reassured by the orthodontic team; they are friendly and calmed my nerves. I now have straight teeth and a nice smile.*

*All staff were very friendly and clearly cared about what was best for me - before I received my brace treatment I really didn't like to smile at people, but now my brace treatments over I don't think I've stopped smiling.*
