Everyone has been friendly, I was very nervous but everything has been explained as the treatment progressed over the last year. I am very happy with my new smile Treats the patients with care and respect and always make me feel welcome and happy.

I didn't like to smile or show my teeth, now I can't stop smiling, I feel like a new person. The cost of my orthodontic treatment is the best money I have ever spent on my appearance. I was too self conscious in light of my age and occupation to have a

brace fitted on the front of my teeth, so the lingual brace was perfect for me. Very welcoming and great friendly staff.
