## Patient Comments

39 responses

*Explained everything clearly and treatment was as promised.*

*I feel so much better since having my braces, much more confident and outgoing.*

*From the beginning I have been very happy with my experience.*

*Although it felt strange when the braces first came off, I have straight teeth and a lovely smile.*

*My teeth were awful before and even though it took a long time, it was well worth it.*

*Having braces was worth the wait because I no longer feel self conscious about smiling.*

*Not a scary process, everybody was really friendly and it doesn't hurt as much as you might think.*
