## Patient Comments

39 responses

*Good customer service, time management and overall orthodontic treatment.*

*It's amazing seeing your teeth perfect; it's well worth the wait.*

*Very friendly and professional. The treatment was very quick and wasn't painful. The gap in my front teeth has completely gone and I feel a lot more confident now.*

*At first I was a bit unsure because I was told the brace had to be on for 18 months however it only took 9.*
